

Kuldeep Raizada, known to the ophthalmology community in Asia. He served 10 years at L V Prasad Eye Institute, Hyderabad, as Chief of the Ocular Prosthesis Clinic, as a senior ocularist, consultant, and researcher, he specialized in artificial eyes, maxillofacial prostheses, and the newer bio-matrix (hydroxy-apatite) implant and newer techniques like myo-conjunctival enucleations, serving those in need throughout the world. Kuldeep also initiated the development of Movement measuring devices, which has become popular all over the worldwide as gold standard for measuring the orbital and prosthetic motility and add benefit to end user to choose right implant and right surgery, which has been a benefit to the artificial eye wearer.

Kuldeep has a great interest in developing new idea to real time ventures which eventually gives benefits to a lot of patients. Every year a lot of visitors visit his clinic to see. As a totally qualified and dedicated professional services Kuldeep has established an unique prosthetic center in Jan 2010, Called **international Prosthetic Eye Center**, at Hyderabad, Which exclusively serves for the patient of ocular disfigured eyes, which is serving at present patient across 38 countries.

Below are the details of his the year 2010-11 achievements.

#### **PUBLICATION FOR 2010-11**

**Implant and prosthesis movement after enucleation: a randomized controlled trial.** Shome D, Honavar SG, Raizada K, Raizada D.

Ophthalmology. 2010 Aug;117(8):1638-44. Epub 2010 Apr 24.

#### **Custom ocular prosthesis in children: how often is a change required?**

Raizada D, **Raizada K**, Naik M, Murthy R, Bhaduri A, Honavar SG. Orbit. 2011 Oct;30(5):208-13.

#### **PAPER PRESENTATION:**

Paper presentation on **A NON INVASIVE METHOD FOR ASSESSMENT OF FORNICIAL DEPTH & PROSTHESIS** at the **68<sup>th</sup> Annual Conference of All India Ophthalmological Society (AIOS)** held at Kolkata from **January 21-24, 2010**.

#### **INSTRUCTIONS COURSE:**

Instruction Course on ocular prosthesis at the **68<sup>th</sup> Annual Conference of All India Ophthalmological Society (AIOS)** held at **Kolkata** from January 21-24, 2010

Instruction Course on ocular prosthesis at the **34<sup>th</sup> Annual Meeting of the Andhra Pradesh Ophthalmological Society** held at **Hyderabad** from october 1-3, 2010

### **NATIONAL SPEAKER:**

**Cosmetic Improvement following Eye Removal Surgery**, 21<sup>ST</sup> Annual Conference of oculoplastics association of india, Mumbai 19-21<sup>st</sup> Nov 2010

**Case Discussion at 21<sup>ST</sup> Annual Conference of oculoplastics association of india, Mumbai 19-21<sup>st</sup> Nov 2010**

### **INTERNATIONAL :**

#### **Speaker**

First National Oculoplastic Conference Nepal 25-26 October for pre symposium program and 28-29 conference, Spoke on complexity in anophthalmic Socket and prosthesis management at Tilganaga Eye Hospital, Kathmandu, Nepal

### **NATIONAL PARTICIPATION:**

68<sup>th</sup> Annual Conference of All India Ophthalmological Society (AIOS) held at Kolkata from January 21-24, 2010.

**Oculoplasty Symposium**, Mamta General Hospital, Khammam Aug 29, 2010

**Oculoplasty Update**, Gauthami Eye Institute, Rajmundry, Andhra Pradesh, Aug 20, 2010

**Facial Aesthetic Surgery Update** on Sunday, July 18, 2010, Pune
